### NEIGHBORHOOD FARE

*Located in Parkview Hills, the flagship location for Millennium Restaurant Group features a menu that is a blend of both American and Italian cuisine. Martell's is a place where people eat well and laugh often, and where our staff feels like family.*

*Parkview Hills is a planned community which was developed by late businessman, Burton Upjohn, and late ecologist, Dr. Lewis Batts. Their ideas for clustering buildings and planning the streets were to carefully mesh with land contours and trees that have stood the test of time.*

*Overlooking Willow Lake, Martell's whose origin is in the fine dining establishment The Black Swan Inn, the architecture of which is largely unchanged from its inception in the early 70's, was developed as and remains an amenity to the community.*

*It is indeed a place where people eat well, laugh often, and where our staff feels like family.*
